

CHRISTMAS  
DINING AT

THE

WHITE HORSE  
HASCOMBE

We would be delighted to welcome you to The White Horse, Hascombe, to enjoy a relaxed Christmas lunch or dinner in the traditional and comfortable setting of our 16th-century coaching inn in the heart of the Surrey Hills.

Whether you're a small group or a larger party of up to 50, you'll love our newly refurbished restaurant, "The Dining Room @ The White Horse" or the cosy Saloon Bar for smaller parties.

We strive to provide fresh, locally sourced seasonal foods produced by Head Chef Valentino Gentile and his team accompanied by a diverse selection of wines that have been carefully selected with the advice of our local award-winning supplier, Taurus Wines.
